NOTE. The above calendar for the year 5604, commencing September 25th, 1843, and ending September 14th, 1844, has been communicated to us by Mr. Jacob Ezekiel, of Richmond. It is calculated for the Minhag Sephardim, but a slight alteration will make it equally well suited for the German Jews. The time of commencing the Sabbath is for the latitudes of New York, Philadelphia, Baltimore and Richmond; places farther south or north require some little modification, which can be ascertained by commencing the Sabbath always about three quarters of an hour before sunset.
